This classic 1920s Tudor residence is situated in Lexington's coveted Ashland Park.

Featured in the seminal book "A Field Guide to American Houses", its stucco walls and large wooden windows beget warm, light-filled spaces. The newly-renovated kitchen and living and dining areas are paired with ample closet and lofted storage space.

The home offers four bedrooms (including one on the first floor with adjoining full bath) and three full bathrooms. Professionally-designed interiors and thoughtful updates marry charm with livability.

Outside, brick walls, pathways and patios create an exceptionally private garden space all while resting near favorite restaurants & shopping.

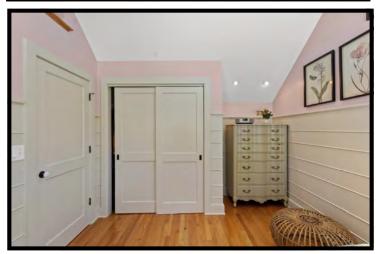

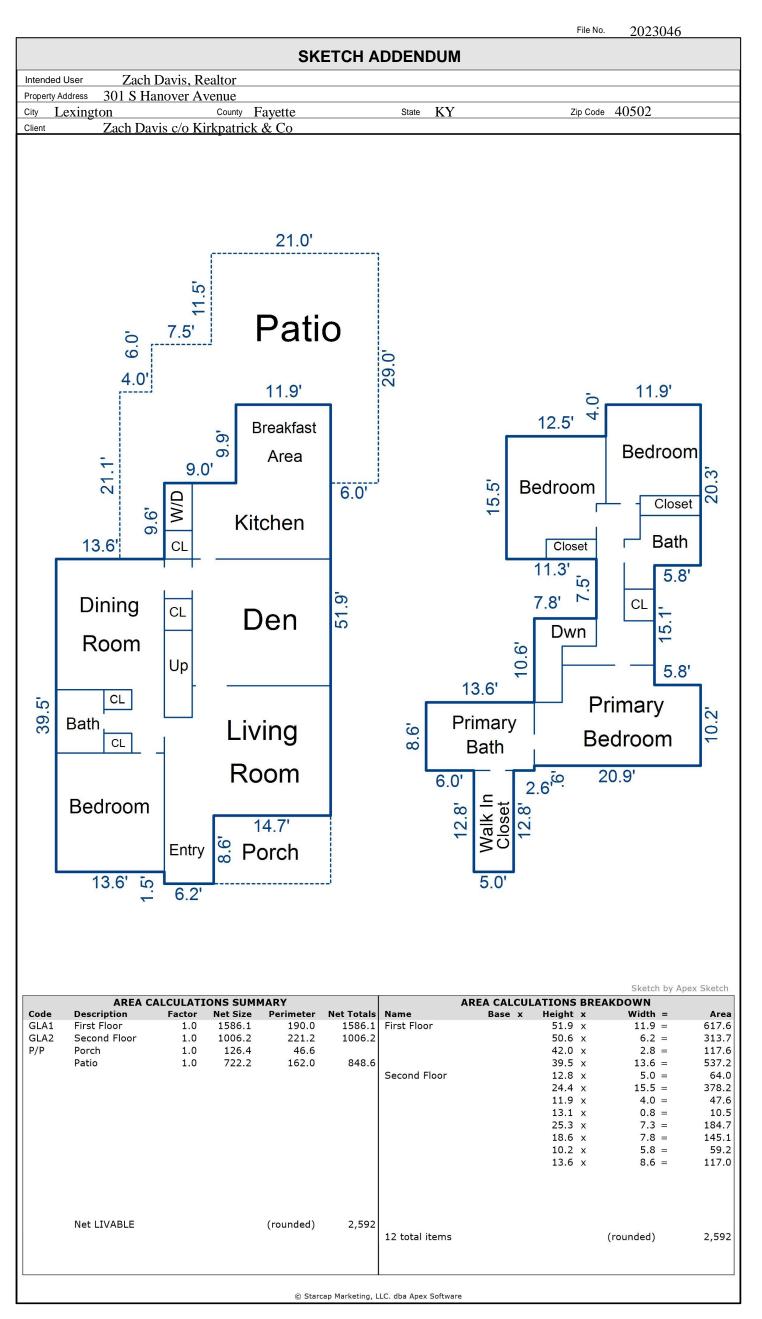

All of the information contained herein is deemed reliable but is not warranted; all figures, facts and boundaries are believed to be accurate but independent verification is strongly advised. Square footage measurements & school district information is believed to be accurate but independent verification is strongly advised. The listing broker or broker associates recommend interested parties, prior to closing, perform a complete property inspection (including but not limited to environmental assessments and percolation tests as may be necessary for BUYER'S intended use of the property) have the land surveyed by a licensed surveyor, the title searched and inspected by an attorney and any and all legal questions or concerns directed to legal counsel. The broker or broker associates will not advise on matters outside the scope of their real estate license.

PURPOSE OF DISCLOSURE FORM: Completion of this form shall satisfy the requirements of KRS 324.360 that mandates the "seller's disclosure of conditions" relevant to the listed property. This disclosure is based on the Seller's knowledge of the property's condition and the improvements thereon, however that knowledge was gained. This disclosure form shall not be a warranty by the Seller or real estate agent and shall not be used as a substitute for an inspection or warranty that the purchaser may wish to obtain. This form is a statement of the conditions and other information about the property known by the Seller. Unless otherwise advised, the Seller does not possess any expertise in construction, architecture, engineering, or any other specific areas related to the construction or condition of the property or the improvements on it. Unless otherwise advised, the Seller has not conducted any inspection of generally inaccessible areas such as the foundation or roof. The Buyer is encouraged to obtain his or her own professional inspections of this property.

INSTRUCTIONS TO THE SELLER(S): (1) Answer every question truthfully. (2) Report all known conditions affecting the property, regardless of how you know about them or when you learned. (3) Attach additional pages, if necessary, with your signature and the date and time of signing. (4) Complete this form yourself or sign the authorization at the end of this form to authorize the real estate agent to complete this form on your behalf in accordance with KRS 324.360(9). (5) If an item does not apply to your property, mark "not applicable." (6) If you truthfully do not know the answer to a question, mark "unknown." (7) If you learn any fact prior to closing that changes one or more of your answers to this form after you have completed and submitted it, immediately notify your agent or any potential buyer of the change in writing.

SELLER'S DISCLOSURE: As Seller(s), I / we disclose the following information regarding the property. This information is true and accurate to the best of my / our knowledge as of the date signed. Seller(s) authorize(s) the real estate agent to provide a copy of this statement to any person or entity in connection with actual or anticipated sale of the property or as otherwise provided by law. The following information is not the representation of the real estate agent.
